

2026 Lake View Country Club Junior Golf Program

U.S. Kids Golf

Welcome to the 2026 Lake View Country Club Junior Golf Program! We will be utilizing the US Kids Golf Program at Lake View for our Junior Golfers.

About the US Kids Golf Program

New and Young Golfers learn best when engaged in a program that is clear, fun, easy to learn and rewarding.

These essential elements are provided in the U.S. Kids Golf Player Pathway as a player advances from level to level as their skills improve.

Completion of Levels 1-5 establishes the basic fundamentals to ensure a lifetime of enjoyment and knowledge of the game. Advancing through Levels 6-10 provides the skills to successfully compete in tournament play. Our goal is to advance 1 level in each Junior Program Curriculum.

To make it fun for players to learn while staying motivated to improve, the Player Pathway provides the perfect program for kids, parents, and coaches. With an easy-to-follow curriculum combined with awards, players can progress from beginner to elite player!

What Player Pathway Level is My Junior Golfer?

Please Mark What Level Your Junior Golfer is on the registration form below

Junior golfers will be placed into a Player Pathway Level based on current skill level. These levels are outlined below. Please select the appropriate level by seeing the descriptions below. Junior Golfers will then be taught and grouped during lessons based on their player pathway so they will be with similarly skilled junior golfers.

Please note if you are unsure, please select LOWER Player Pathway Level. You may also schedule a time to discuss with PGA Golf Professional Brad Smith if you have further questions

***Most Junior Golfers will start out in Levels 1 or 2. Only those golfers who have years of golfing experience and skill should select Levels 3 or higher**
